Following is a complete set of claims as amended with this Response. This complete set of claims excludes cancelled claims 1, 3-5, 7-9, 11, and 12.

1. (Cancelled)
2. (Previously Presented) A method of implanting a cardiac lead, the method comprising:  
advancing the lead to a site; and  
after advancing the lead, manipulating an identifier on the lead in a manner based on the site;  
wherein manipulating comprises removing a first identifier from the lead so that a second identifier remains on the lead.
3. (Cancelled)
4. (Cancelled)
5. (Cancelled)
6. (Previously Presented) A method of implanting a cardiac lead, the method comprising:  
manipulating an identifier on the lead in a manner based on an intended site; and  
after manipulating the identifier, advancing the lead to the intended site;  
wherein manipulating comprises removing a first identifier from the lead so that a second identifier remains on the lead.
7. (Cancelled)
8. (Cancelled)
